**IIJ to Launch Unlimited Calls and
New Flat-Rate Call Options for Personal Mobile Services**

-- Adding unlimited calls and more economical flat-rate calls for five or ten minutes. Also offering a promotional campaign for three free months --

TOKYO - December 1, 2021 - Internet Initiative Japan Inc. (IIJ, TSE1: 3774), one of Japan's leading Internet access and comprehensive network solutions providers, today announced the December 7 launch of additional new talk plans for its personal MVNO services. The new plans, including unlimited calls and Flat-Rate Call options, are for the IIJmio Mobile Service Giga Plans, IIJmio Mobile Service, and IIJmio Mobile Plus Service. Until now, IIJ had offered flat-rate voice call options for calls under three or ten minutes. However, in response to demand for longer voice calls, it is launching an unlimited talk plan (JPY 1,400 per month, including tax) with no time limits on voice calls. It is also adding new five-minute flat-rate (JPY 500 per month, including tax) and ten-minute flat-rate (JPY 700 per month, including tax) plans, allowing customers to make low-cost calls longer than with previous plans.

The IIJmio Mobile Service GigaPlans' customers who sign up the new Flat-Rate Call option, will be offered option free of charge for three months under IIJ's latest campaign.

Service launch date

Tuesday, December 7, 2021
